

WEBSITE DISCLAIMERS

The content of this website is for general, informational purposes only and is not intended to constitute or form part of, and should not be construed as, any offer for sale or subscription of, or any invitation to offer to buy or subscribe for, any securities whatsoever. Any such offer or solicitation will be made only through Ringneck Energy LLC's official private placement memorandum, subscription agreement and other related documents and in accordance with the terms of all applicable securities and other laws. All such offers, solicitations of offers and sales of securities will be subject to the terms and conditions contained in Ringneck Energy LLC's official private placement memorandum, subscription agreement and other related documents, including the qualifications necessary to become an investor.

No Offer or Advice

None of the content, information or analyses presented in or through this website is intended to form the basis for any investment decision, and no specific recommendations are intended. Accordingly this website does not constitute legal, investment, tax or other advice or counsel or solicitation for investment in any security. If you would like investment, accounting, tax or legal advice, you should consult with your own advisors with respect to your individual circumstances and needs. When making a decision to invest in units of Ringneck Energy LLC, you must conduct and rely on your own evaluation of the Company and of the terms of the offering, including the merits and risks involved in making a decision to invest in us Ringneck Energy LLC and should only consider only the information contained in the official private placement memorandum, the other documents furnished to you therewith and the advice of your own professional advisors. The Company expressly disclaims any and all responsibility for any direct or consequential loss or damage of any kind whatsoever arising directly or indirectly from: (i) reliance on any information contained in the website, (ii) any error, omission or inaccuracy in any such information or (iii) any action resulting therefrom.

The units offered by Ringneck Energy LLC's official private placement memorandum are speculative and involve a high degree of risk. In particular, you should read the section of the official private placement memorandum titled "**RISK FACTORS**". There is a potential for loss of part or ALL of your investment, and each investor should understand that all capital invested may be lost. Investors should only consider these investments if they have no need for liquidity and can bear the risk of losing their entire investment.

Forward Looking Statements

This website contains historical information, as well forward-looking statements about the Company and our future performance and prospects, project financing, and expected future operations and actions. All statements that are not historical or current facts are forward-looking statements. In some cases you can identify forward-looking statements by words such as "believe", "hope", "expect", "anticipate" and similar expressions. We caution recipients not to place any undue reliance on any forward-looking statements. Our actual results or actions may differ materially from these forward looking statements for many reasons, including the risks and uncertainties detailed in the Company's official private placement memorandum. We undertake no responsibility to update any forward looking statement

Past Performance

Any performance data or comments expressed on this website are an indication of past performance and is for informational purposes only. Past performance is not indicative of future results and is not intended, and should not be construed, as a representation by any person that Ringneck Energy LLC will be able to perform in the future, including but not limited to generate revenues, operate profitably in the future or achieve similar, if any, returns on investment. We caution you not to put any undue reliance on any such data as actual results will differ and could be materially different from those discussed or implied herein.

No Warranties

This website has been compiled in good faith by Ringneck Energy LLC and while we use reasonable efforts to include accurate and up-to-date information on this website, the website is provided on an "as is" basis with no warranties of any kind. We make no representations as to the completeness or accuracy of the information it contains. In particular, you should be aware that this information may be incomplete, may contain errors or may have become out-of-date. Ringneck Energy LLC makes no commitment, and disclaims any duty, to update such reports. We reserve the right to add, modify or delete any of the content of this website, or any portion thereof, with or without notice at any time.

Additionally, certain information in this website is obtained from or based on sources believed to be credible and reliable. In particular, we have used information provided by trade organizations for the ethanol industry, which may

present information in a manner that is more favorable to that industry than would be presented by an independent source. However, we have not independently verified the information. Accordingly, no representation or warranty, expressed or implied, is made as to, and no reliance should be placed upon, the fairness, accuracy, or completeness of any third party information on this website (including any attachments) and Ringneck Energy LLC assumes no liability for such information.
